

Who We Are

Since 1924, Globe Midwest Adjusters International has been exclusively representing property owners and business owners during the insurance claim process to ensure our clients receive the optimal settlement they are entitled to.

Our team of over 60 professionals provide accurate evaluations, strategic guidance, and full claim management.

Roofing professionals rely on us to support their customers, ensure maximized settlements, and help secure payment for the full scope of their bid.

You deserve full payment.

We make sure you get it.

Why Roofing Companies Refer Globe Midwest

Leading Experts

With over a century of experience, we are the nation's leading experts in commercial roofing insurance claims.

No Short-Changing

We make sure insurance carriers don't limit the true scope of your bid.

Complete Team Coverage

Our adjusters, engineers, estimators, and forensic accountants work together to prove and maximize the value of the claim.

Faster, Fairer Payouts

We handle the claims process to prevent delays and optimize settlements.
