Carl:

Thank you for the fine job that your organization did on behalf of St. George/St. Nectarios Greek Orthodox Church of Ecorse. As a result of your hard work and determination, our church was able to come closer to a realistic and fair settlement with our insurance carrier. I would venture a guess to say that without your assistance, our settlement would have been thousands of dollars less.

On behalf of our congregation, we wish to thank you and your people for your assistance.

Sincerely,

John Avgoustis  
Treasurer  
St. George/St. Nectarios
