Dear Larry,

Enclosed, please find payment for your adjusting and appraisal services for our Horizons property in Indianapolis.

Please allow me to take this opportunity to thank you for your attentive and efficient response to our insurance claims problems. It seems that the insurance industry today is tougher than ever before in appropriately responding to claims. It is wonderful to have a partner on which to depend when the struggle for proper reimbursement from insurance carriers turns into a full blown battle.

I was very pleased with the amount you were able to secure for the payment of this claim. Additionally, your conservative approach to travel expenses is refreshing in a time when client's expenses are usually the last worry for the consultant. In the event of another significant loss for any of our properties, I will most certainly call on you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronda Gallehue".
