Re: Giovanni's Ristorante

Dear Jeff:

We are writing this letter to express our sincere appreciation for the excellent job you and your firm did in preparing and negotiating our insurance claim.

Prior to your involvement, it was apparent that we were at the mercy of the insurance company and their 'preferred' contractors. Your office immediately took control of our claim and with your expertise and the support from your team of construction experts, equipment specialists, estimators and accountants, we were able to restore our business and return to normal operations in an expedited way.

The final settlement far exceeded anything we could have achieved and we are most appreciative to have worked with Globe Midwest. Please be assured that we will not hesitate to contact Globe Midwest/Adjusters International if we ever have the need, and we will certainly recommend your firm to others.

Sincerely,

Frances & Randy Truant
